

# Orientation Workshop

For Parents and Family Members of College Students with Disabilities

Monday, August 11, 2008 or Monday, August 25, 2008 • 12 p.m. – 3 p.m.

Starting college is an exciting time for new students. It can also be a stressful time. If a student has a disabling condition or a learning challenge that has caused difficulties during their secondary school years, there may be additional stresses and unique challenges to address. Knowing what to expect and what services are available can help you to support your son, daughter or family member during their transition from secondary school to college.

**Sessions are free!  
Lunch is included.**

**Parents or Family Members are invited to attend an orientation workshop to:**

- Find out how students with disabilities can achieve success at Cambrian College.
- Learn about the challenges of attending school at a postsecondary level.
- Discover the types of services available for Cambrian students through The Glenn Crombie Centre for disability services.
- See some of the assistive technology software available in our lab.

**REGISTER TODAY!**

Call: (705) 566-8101, extension 7420
